### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

1. In the Amendment filed August 15, 2006, Applicants have elected Group II, claims 1, 3-14, 16-27, 29-40, 42-53, and 55-64 without traverse.

2. The claims have been amended to conform to the elected subject matter.

3. Applicants have further elected the species of formula 63 as the preferred species.

Based upon the examination and search, the election of species requirement is withdrawn. The subject matter of claims 1, 3-14, 16-27, 29-40, 42-53, and 55-64 is examined as a whole.

4. Applicants preserve the right to file divisional applications drawn to the non-elected subject matter.

5. The Information Disclosure Statement filed August 11, 2005 has been considered.

The references alone or in combination forms do not teach nor suggest a process for producing diaryl amine compounds using the instantly claimed steps. Accordingly, claims 1, 3-14, 16-27, 29-40, 42-53, and 55-64 are allowable therefrom.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Zinna N. Davis whose telephone number is 571-272-0682.
